Newsletter of the Imperial Owners Association of Sacramento Valley

Founded 1981

September, October, 2001

Vol. 13, No. 5

Hello Imperial Owners-

We had a super outing on August 11th! Our numbers were small (about 10) but our enthusiasm was unquantifiable. We met at Portsmouth Square and departed promptly for our tour of the back alleys of Chinatown. (Please refer to the flyer in the last newsletter). We learned so much. We had explanations of Chinese dynasties and how they affected Chinese emigration. We viewed where Sun Yat Sen (sp?) raised 2 million dollars at the turn of the last century to democratize China and become its first elected leader. We saw illegal Mah Jong gambling parlors, disguised sweat shops and a fortune cookie factory. We experienced dragons and fire-crackers "cleansing" selected businesses. We were onlookers at a Chinese funeral procession complete with the Green Street Mortuary marching band, flower cars and all. We learned about architectural styles, building practices, human rights abuses of the Chinese and the real areas of Chinatown where the Chinese function as citizens. It was as if we were in a foreign land. It was quite a day. We finished with a marvelous lunch at Hunan Homes where the food and service was excellent and the entertainment from our waiter Bill, (good Chinese name) kept us all wondering what was next!

I want to thank Jimmy White for his efforts creating our last newsletter, volume 13, number 4 (the last issue) was the best yet. Well done Jimmy!

Be sure and look inside for our future events and activities. Our next time to gather (September 22nd) will be an "End of Summer" potluck. Let's all make a special effort to attend. October includes the Ohlone College meet and the yearly fall tour led by John Tennyson. November will be our annual meeting. We will be electing officers and discussing initial plans for the 20th State Meet in 2003. Oh, by the way - I'm willing to carry on as president for another term if you are interested. There..., that is the beginning and end of my campaign! December will be in Modesto at the McHenry Museum and Mansion with a reception afterward.

I look forward to our potluck - this year has flown by. Let us renew our group spirit at this first "End of Summer" potluck.

See you there.

David

IOASV and IMPERIAL ON-LINE

Robin and Gary Stevens have put together a great on-line website for IOASV that is a part of and hosted by the Hemmings Motor News website (www.hemmings.com). Go to Hemmings website, click on car clubs and then type in the kind of car club (Chrysler Imperial or Imperial). It will bring up a screen with about 12 clubs, including Imperial Owners of Sacramento Valley. Click on IOASV and you will get a black screen with a 1957 Imperial – the same logo used for the Modesto 2000 Meet. Click on the list of options above the car. One of the features is a very nice pictorial of members and their cars at the May Modesto Meet. Further newsletters will also be posted periodically on the site. Also check out SoCal Imperial Club's Bob Schmitt's website on "The Imperial by Chrysler" at <http://teamchicago.com/imperial/imperial.htm> The site is full of Imperial resources and interesting information.

Imperials on Display Thursday, September 30, 2001

Bill Watkin's 1963 LeBaron 4 Door Southhampton

Carl Poteet's 1963 Crown Convertible

The American Pop Classic Car Show at the California State Fair is an eighteen-day event of diverse vehicular exhibits. The exhibit is open to various forms of transportation such as cars, trucks, rods, classics, etc. The exhibit allowed participating clubs or individuals the opportunity to exhibit their vehicles to an average daily attendance of thirty thousand State Fair visitors.

IOASV was privileged to have four of our majestic Imperials on display on Thursday, September 30th. The participants were Bill Watkins, Carl Poteet, Jimmy White and John Weaver. There were many admirers with questions giving us the opportunity to help fair visitors gain a better understanding of the Imperial cars.
